Thinking about stress

You can't direct the wind
but you can adjust the sails

How to be Happy

Proven ways to be

- Practice gratitude
- Develop an optimistic outlook
- Don't obsess over mistakes
- Avoid social comparison
- Build social networks (not just online)
- Practice kindness - do things for other people
- Learn how to cope

More proven ways to be

- Practice forgiveness
- Find flow
- Be curious
- Savour joy
- Set goals & work to achieve them
- Explore spirituality
- Develop your body & mind
- Meditation

Remember...

- Like any other skill, managing stress takes practice
- The more you do it, the easier it will be
- You play an active role in your own happiness

Relaxation
